Proximity Time Clock System - Ethernet

SIMPLE : SMART™

Extremely EZ.

The **TTEZProx** unites our best-selling time clock system with the speed & convenience of proximity technology to clock employees in & out of work in record time – without touching the clock.

- Instantly clocks employees In & Out with the **"waive" of a badge or key fob** using proximity technology
- **Eliminates** need for **paper** time cards
- TimeTrax™ attendance software offers **flexible employee management & reporting tools** including editing capabilities & 10 analytical reports
- **Ethernet connectivity** enables multiple time clock stations eliminating congested "punch lines" & delays in arrival & departure times (additional terminals sold separately)
- **Expandable** to accommodate up to 500 employees[1]
- **Exports** to most major payroll providers

[1]TTEZPROX (PPDLAUBKN) kit includes terminal, 50-employee software package & 15 proximity badges. Employee software upgrades, key fobs, additional proximity badges & additional terminals sold separately.
