LS-900 Mechanical Lock

The LS-900 push button lock is a heavy duty mechanically coded lock with full size lever handles for high traffic situations.

- Heavy duty push button lock
- Low maintenance finish
- Full size lever handles
- Easy to take in and out of passage mode

LS-RDJ Digital Lock

The RDJ is a reliable electronic combination door lock and also a stylish fixture for home or office. The lock is programmable for 10 independent users and changing the access codes takes less than 30 seconds.

- Digital Touchpad Lockset
- 2 3/8" & 2 3/4" backset available
- 10 programmable codes
- 3 key overrides included
- Simple installation
- Requires 4 AA batteries

LS-6600 Digital Lock

The 6600 is the perfect lock for businesses that need access codes for several employees. Utilize 200 independent user codes and easily add or delete each user.

- 1 programmable master code
- 199 programmable sub-codes
- 2 Mechanical override keys included
- Adjustable backset: 2 3/8" to 2 3/4"
- Low battery warning (operates on 4 AA batteries)
- Easy to install and operate
- Auto Lock Feature

LS-DBS Remote Deadbolt

The DBS deadbolt remote control lock features a hand-held IR remote control, lighted digital keypad, key override and a locking feature that locks the deadbolt 20 seconds after unlocked.

- Remote control & keypad deadbolt
- 2 override keys included
- Hand-held IR remote w/hidden flipkey
- 7 User Codes
- Automatic lock – locks 20 seconds after unlocked
- Right/Left-hand adjustable
- Glow-in-the-dark touch keypad
- Requires 4 AA batteries

ResortLock RL2000

The perfect solution for rental property owners, the ResortLock allows you to issue temporary remote codes from anywhere in the world. No keys, no cards, no lockouts!

- Issue temporary codes from anywhere in the world
- Up to 800 permanent codes & 1000 users (combined)
- Lighted keypad
- Requires 4 AA batteries

ResortLock RL4000

The RL4000 has all the same features as the RL2000 but in a commercial quality weather-proof lock. With scheduled access, up to 800 user codes & audit trail, the ResortLock is also perfect for business use!

- Issue temporary codes from anywhere in the world
- Up to 800 permanent codes
- Scheduled Access – Ability to apply schedules to permanent codes and lock.
