

# 3500/3700

## TIME RECORDER

### AN ALL-IN-ONE SOLUTION FOR PAYROLL, TIME, DOCUMENT, AND JOB RECORDING

The **Pyramid 3500/3700 Time, Document, and Job Recorder** has been designed for all types of businesses and industries to help better manage your office. The recorder automatically prints year, date, time and 14 very useful selectable messages. It features 1-minute setup and has an auto-punch feature, for easy single-hand operation. This multi-purpose unit is ideal for managing employee payroll and attendance, along with stamping special messages on documents such as incoming and outgoing mail. In case of power failure, the unit is equipped with an internal battery that provides 30-days of memory backup. The **3700** model offers heavy-duty steel construction that will withstand years of use in harsh environments such as manufacturing plants, industrial garages, and commercial locations.

- Large easy-to-read LCD display
- 14 very useful selectable messages
- Dot matrix printing for accuracy and long life
- Auto adjusting for short month, leap year, or daylight savings time
